FENN ELITE S DOUBLE

Advanced

Maneuverability and surf ability are the key features of this ski. A very comfortable seating position with the new S seat. A little wetter on the back due to the lower volume but extremely fast in the falter conditions. Suits mixed teams, men and women paddlers.

The upgraded design features to the original Fenn Elite Double include:

- A new fitted seat design, with the positions moved forward on the ski
- Reduced hump under legs
- The rudder has been moved forward allowing for greater control in downwind conditions
- The footwells are slightly lower allowing for a more comfortable seating position
- Inclusion of leg leash attachment in both seats
- Cutaways at the paddle entry

Length:	7.5m
Width:	46.5cm
